Mayflower 400 Anniversary Commemoration Seminar

Presented by the Faith Travel Association
Wednesday, November 7, 2018: 10:45 a.m.–12 p.m.
Seminar Room 102 AB

Amanda Lumley, Destination Plymouth
Mincke Pijpers, Leiden Marketing
Michele Pecoraro, Plymouth 400
Jim Peters, Wampanoag Nation

On September 16th, 1620, the Mayflower sailed from Plymouth with what William Bradford called "a prosperous wind." She landed in the colony of Plimoth in the State of Massachusetts, USA on December 21st, 1620 with 106 passengers on board. **2020 will be a landmark year**. **It marks the 400th anniversary of the sailing of the Mayflower, arguably one of the most influential single voyages in the history of the world.**

The spirit of that voyage and the beliefs that motivated it led to the creation of the most powerful nation on earth. Mayflower 400 is a key milestone for those communities and partner nations who have a significant part to play in this global narrative. Our partnership includes destinations across the UK, The Netherlands, Massachusetts and the Native American Nation.

This seminar will showcase the story of the Mayflower and highlight the tourism opportunities for Americans to visit England, The Netherlands and Massachusetts to re-trace their ancestry, faith and connect with the authentic history and culture of these regions through newly developed tourism product.
