

Choosing an Insurance Plan

The SquareMouth website makes it easy to find a cost-effective insurance policy for your trip. We suggest insuring the land costs first, then updating the policy later on when you have the full land and air total.

Step 1: Enter the tour dates and country. These details can be found on the tour webpage on www.ReformationTours.com.

The screenshot shows the SquareMouth Travel Insurance website. The header includes the SquareMouth logo, navigation links (Get Quotes, Reviews, Providers, Benefits, Resources, Partners), and a 'Start a New Search' button. The main content area features a large banner with the text 'Compare 99 Travel Insurance Policies from 23 Providers with 87,128 Reviews' and a 'Use My Last Search' button. A search form is displayed with the following fields: 'Leaving Home' (07/26/2022), 'Returning Home' (08/06/2022), and 'Main Destination' (Germany). A 'Continue' button is visible at the bottom of the form. The footer contains several category links: 'Standard Single Trip Policies', 'Annual / Multi Trip Policies', 'Policies for Groups of 10 or more', and 'Adventure & Sports Policies'.

Step 2: Enter your state of residence, citizenship, and current age.

A search form is displayed with the following fields: 'Country of Residence' (United States), 'State of Residence' (Illinois), 'Citizenship' (United States), and 'Current Age' (60). A 'Continue to Step 3' button is visible at the bottom of the form. The footer contains several category links: 'Standard Single Trip Policies', 'Annual / Multi Trip Policies', 'Policies for Groups of 10 or more', and 'Adventure & Sports Policies'.

Step 3: Click “yes” for cancellation coverage, enter the trip cost amount (you can just use the land cost for now), the first booking date (you can use today’s date) and “yes” to indicate that the trip isn’t paid in full yet.

Step 4: You will get a selection of policies to choose from, sorted by price from lowest to highest. You can set the filters on the left to include Trip Interruption, Emergency Medical and Coronavirus Pandemic. Then click the “Compare Now” on the top right of each policy. The price displayed is for all the people in your party, not per person.
