

Reformation Tours' Guide to Luggage

Two words say it best: Travel light. Airlines allow one checked suitcase and one carry-on bag plus a personal item. Be sure to attach the Reformation Tours baggage tags to *both* your suitcase and your carry-on bag. Baggage handlers will more easily identify your bags as you move from bus to hotel and back.

Checked Suitcase

Your checked suitcase can be no larger than 62 inches (length + width + depth) including the handle, pockets, and wheels. Make sure the suitcase is in good condition and we recommend wheeled suitcases. The maximum weight is 50 pounds (23 kg) and you should aim for less than that. Remember to leave plenty of room for souvenirs! Checked luggage should NOT be locked (except with TSA locks). If you are traveling with your spouse, put some clothes in each other's suitcases, in case of baggage delay. It's also a good idea to take a photo of your checked bag.

Carry-on Bag

Your carry-on bag can be no larger than 45 inches (14" long + 9" high + 22" wide). It can weigh no more than 40 pounds and you must be able to lift the bag into the overhead locker unaided.

Checked bags do occasionally get delayed on flights, so we suggest including some extra items in your carry-on baggage. Bring a change of clothes, small toiletries (less than 3oz), and medications in their original containers, plus your prescription. We also recommend bringing some snacks.

Personal Item

In addition to your carry-on bag, you may carry one laptop-sized bag, handbag, or briefcase. The maximum dimensions are 35 inches (10" long + 9" high + 17" wide) and it should fit beneath the seat in front of you. Ladies - please have purses that are secure & zippered, preferably worn across your body. Men - please put wallets in your *front* pocket - much safer against pickpockets. We suggest a day-bag large enough to carry water, a raincoat, camera etc., while you are out exploring.
